Pick up Procedure

Please plan to pick up your child promptly by 5:00pm at the front of the school. It is important for me to see each student leave with their parent/guardian, so I will be at the front waiting with each student. Students who are not picked up by 5:05 will go to MIS' aftercare program. If you are running late, please call the school at (404) 542-7003. If I or Ms. Rowley are absent on a scheduled day, we will either make arrangements for an MIS teacher to sub or I will cancel with a reimbursement for that day.
